

Good morning WGA!

1-27-26

The chilly morning bloomed into a perfect day for golf yesterday! We had a great turnout for our 3rd State Medallion Round and it was nice to play both the front and back nine. The golf course is playing beautifully and the new cart paths are terrific. We are so fortunate for the hard working folks at the course - both in front of and behind the scenes! **Please read this whole message and pay attention to the highlighted information!**
