

Good morning WGA!

1-7-26

We had another great golf day yesterday. It started out a bit chilly but turned into a wonderful weather day for golf and companionship!

Results for Cha-Cha-Cha:

1st Place \$9 each. Katie Warpinski, Janice Thomas, Robbie Bourguet, Laura Baragar

2nd Place \$7 each. Lynne Lombard, Mary Schepelmann, Cecile Follansbee, Honey Mason

3rd Place \$5 each. Diane Hoffman, Janice Thomas (B), Penny Jordahl, Eileen Southwick

Congratulations to our winners!

Our next official play day is January 13th. We will be playing with 3 clubs and a putter so start thinking about your strategy and club selection. Please sign up in the book or email Kay Brown by noon on Sunday.

Please note that 49ers will have a contractor working on sealing the cart paths starting Monday, January 12th. They will be closing either the front nine or back nine on that day and it will take several days to complete each nine hole section of the course. This means that next Tuesday, we will play the same nine holes twice. (We don't know which section they are starting on). Most likely, the following Tuesday (January 20th) will be similar. There is a remote chance that they will complete the work faster and we will only be impacted one week.

Thank you for being part of WGA!

Best regards,

Kathy
