

Hi Ladies,

11-26-25

What a great Life's a Beach FUN DAY yesterday. It might not have been beach weather, but it turned out to be a beautiful late November day for golf. We all enjoyed the fun and unique beach activities and fun prizes. Carol Nabb mastered hitting the beach ball out of the sand and getting closest to pin. Sandy Munsell hit the drive closest to the beach ball. Several ladies putt inside the hoopla hoop in one putt or less! Maybe we need to play with a hoopla hoop more often!

Congratulations to Laura Baragar, Carol Dietz, and Julie Albrecht for their chip ins!

Next Tuesday, December 2nd, 8:30am shotgun start for our President's Cup Tournament Day 1 and 2nd State Medallion. Please sign up in the book by noon on Sunday or email Kay and she will add you to the list. Also let Kay know if you don't want to participate in President's Cup and want to "follow the field" instead.

Happy Thanksgiving! Hope you all have a wonderful holiday with family and friends.

Best Regards,

Kay and Kathy
