

Good morning WGA!

12-30-25

I sincerely hope that your holidays brought joy and peace to you and your loved ones!

We have had two wonderful open play days since our Holiday Game and Luncheon.

Yesterday was very special as we had the opportunity to celebrate Barb Sprague. She has given so much to the WGA over many years. We celebrated her contributions and some fun "Barb-isms" and presented her with a gift that will remind her of 49er Golf and Country Club AND hopefully keep her warm during the Rhode Island winters. Barb will be greatly missed, but has left her mark on the WGA and for that we are very thankful - we wish her and Steve all the very best as they make their move east. **THANK YOU BARB!**

Next Play Day - January 6th - Cha-Cha-Cha - 9:00am

This game will be played with foursomes and full handicaps applied to each player. Hole 1 - your team will count one best ball; Hole 2 - your team will count two best balls; Hole 3 - your team will count three best balls; Hole 4 - your team will count one best ball; Hole 5 - your team will count two best balls; Hole 6 - your team will count three best balls - you will continue this pattern for the remaining holes. Each player's strokes will be applied to their score to determine the best balls.

Please sign up to play in the book in the pro shop by noon this Sunday! If you can not get to the pro shop please email me and I will add you to the list. If I don't reply to your request - please send it again so that I can be sure to get everyone on the list.

I want to wish everyone the very best as we turn over the page and start a New Year!
