Great golf ladies!

Club Championship Day One (also State Medallion #4) Tee time 8:30am

The Club Championship will be flighted by handicap. It is Gross Stroke play over 36 holes (two days). In the event of a tie for the winner of each flight, there will be a hole-by-hole playoff until a winner is determined. If you are unsure of a ruling, play two balls and get a ruling from the Rules Committee before signing your scorecard. You must play the ball where it lies and putt into the hole. You must complete each hole to remain in the competition - no pickups.

Do not be intimidated by the format - it is just golf...come out and have fun!

Please sign up for the event online, or in the book in the pro shop, or email me by noon this coming Sunday!

Email or text me if you have any questions,

Best regards,

Kay
