Congratulations to EVERYONE!

I would like to thank all of our members for making this a terrific season of golf! You have been patient and kind and it has been rewarding to see the level of engagement each week.

It has been a privilege to serve as the Tournament Chairman and am grateful for the pleasure of working with Kathy Harrington in this endeavor. I know that next season is in great hands with Kathy and Diane Hoffman bringing you an exciting season of golf!

Thank you to Carol Nabb, our steadfast President, Penny Jordahl, a cheerful and willing Vice President, Cecile Follansbee, an enthusiastic Secretary and Katie Warpinski, a detail oriented and committed Treasurer. Without their work - WGA would not persist. It has been great working with all of you!

I wish everyone a safe, comfortable and productive summer!

Stay well and hit it straight down the middle!

I will see you all in October!

All my best,
Kay
